If the injury warrants further medical attention, I expect every effort will be made to contact me to receive my specific authorization before action is taken. If efforts to contact me are unsuccessful, I grant permission for necessary medical treatment to be given.

In addition, I hereby give my permission to the supervising teacher(s) or staff (including volunteers) to take my child to the physician, dentist, or to the hospital if an accident or serious illness occurs on the trip and I cannot be located.

Code of Conduct

The Intent of the Code

The intent of the Code of Conduct is to create professional unity and pride in the work of the Mid Coast Construction Academy and its students by having some common agreed standards of professionalism. It is a statement of the high standards of behavior, which apply to all staff and students of the Mid Coast Construction Academy, which are rightly demanded of companies by the wider community. The Code reflects the vision of MCA and its students: To promote and educate students and unemployed individuals about the construction industry and develop skilled labor through pre-apprenticeships and apprenticeships. It acts as an effective demonstration of the values of the Mid Coast Construction Academy and its students which are embodied in the Principals of the Code. All standards contained in this Code are in addition to the general obligations imposed on students including implied duties such as the duty to act with honesty, integrity and in good faith.

Principles

Respecting When working with others, students are expected to treat students and staff with respect for their rights and obligations.

Behaving professionally: Students are expected to carry out their duties in a professional and conscientious manner at all times. CELL PHONE USAGE IS STRICTLY PROHIBITED. Professionalism also includes attendance and punctuality. While enrolled in this program, pre-apprenticeship students agree to take part in enough contact hours of learning per year to meet NCCER requirements in the craft of their choice and maintain an enrollment in a local high school. Classes are held from 8:00-10:00 am, Monday – Friday during a normal school year. All students must attend work and training as agreed as long as fit to do so AND advise the instructor, education director, and/or employer of sickness or absence prior to missing class/work.

Workplace Health & Safety: Health and safety, social responsibility and environmental sustainability are crucial to business. Our students will support WHS by ensuring:

- safe operations are followed not only on equipment, but also on every person working within the industry taking responsibility for preventing workplace-related injuries and illnesses and using the tools and procedures in place.
- they are wearing the appropriate shoes and clothing for the construction work as not to create a hazard.
- they wear the appropriate Personal Protection Equipment (PPE) and other equipment as instructed.

Alcohol & Drug Use: In line with our commitment to providing a safe and healthy work environment, while at work or when conducting Company business, students must be able to function at an acceptable level of performance and not be impaired by illegal or legal drugs, including alcohol. DRUG TESTING WILL BE ADMINISTERED THROUGHOUT THE PROGRAM.

Harassment: MCA does not tolerate any form of harassment. See handbook for complaint procedures.
